

A Ministry of Relationships

Philippians 2:19-30

How does this apply to me personally?

Everyone needs a friend.

Find a friend, then be a genuine friend.

Be patient.

Show that you are a disciple of Jesus through your friendship.

Mentoring

Jesus mentored the twelve disciples, but he was closest to Peter, James and John.

Paul mentored Timothy and Epaphroditus.

Who are you mentoring?

Paul

Why Timothy?

He was like a son to Paul.

Epaphroditus was...

Paul's brother in the faith.
