A Note About Our Dues The program cost for Awana averages \$50 per each child. Older children are more; younger children are less. Calvary's faithful people donate money to cover the difference between the program's costs and what we charge. We do not want cost to be something that would prevent your child from coming. If you are unable to pay the "Amount Due," shown above, you may choose to either pay monthly amounts toward the child's registration fees, or you may take advantage of our scholarship program. We provide scholarships for those who are unable to afford our registration fees. If you need to take advantage of our scholarship program to cover all or part of your registration fee, please check here _____. You will not be reminded through the year of amounts yet due on your balance. If you do not check the box above and are unable to pay the amount due today, we will send you gentle reminders occasionally of amounts due.
